

Cut-Out Shapes for Appreciation Wall/Tree

To:

THANKS A BUNCH

You're Awesome!

From:

How to decorate your shape:

Step 1: Colour in your shape

You might like to use crayons, paints or even stick some decorations on (eg. glitter, coloured paper, cotton wool).

Step 2: Cut out your shape

Ask a grown up to help you cut around your shape.

Step 3: Give your shape to your early childhood educator

Ask your early childhood educator to help you stick your decorated shape onto the wall or one of the tree branches. Remember to say 'thank you'. 😊

 **Early Childhood
Educators' Day**
