

Cut-Out Shapes for Appreciation Wall/Tree

How to decorate your shape:

- Step 1: Colour in your shape**
You might like to use crayons, paints or even stick some decorations on (eg. glitter, coloured paper, cotton wool).
- Step 2: Cut out your shape**
Ask a grown up to help you cut around your shape.
- Step 3: Give your shape to your early childhood educator**
Ask your early childhood educator to help you stick your decorated shape onto the wall or one of the tree branches. Remember to say 'thank you'. 😊

 **Early Childhood
Educators' Day**
— Wed 7th Sept 2022 —
